

## REVIEWS

OF A FEW OF OUR HAPPY CLIENTS

"The Studio is a perfect location for a formal board meeting in an informal but professional setting. Excellent lunch, good coffee and breaks in a nice street in Amsterdam on the waterside. The staff is very helpful and flexible. We'll certainly be back."

- *Accenture*

"Hidden behind a bicycle storage room is a beautiful boardroom where we have already organized a number of successful events. The Wicked Grounds team is very flexible and they think along about everything.

They make sure guests feel at home and get the best out of the day. Wicked Grounds is a true hidden gem!"

- *Bureau voor Reuring*

Great location and ideal for our team meeting. Away from the office for a while to brainstorm, meet and dine in a homely atmosphere. Lunch and dinner were very well catered with delicious dishes and fresh products. The idea of the afternoon snack, the dips with crudités and various dishes, is a real recommendation to avoid "the energy dip" in the afternoon. In short, Wicked Grounds has a very professional approach with friendly and knowledgeable staff. We were more than happy with our stay and will definitely be back!"
