SOMETHING TO CONSIDER

RAIN STOPPER SERVICES

To ensure festivals and special events are not dampened by rain, the Balinese often perform a ritual to divert rain to other locations or to simply hold it back for several hours. This low-key ritual is performed by officiating small offerings and burning incense as well as a plate of fire (Pengasepan), whose rising smoke is believed to push the clouds away. A religious ceremony performed by a Balinese Hindu priest to pray that rain is held or diverted during the event is available at IDR 3,500,000++/ day (12 hours). 50% refundable for adverse weather conditions or failure of the services provided by a Balinese rain stopper.

INCLEMENT WEATHER PLAN

Weather in Bali is generally dry from April to October and wet from November to March. However, it does rain occasionally in the dry season and there can be many dry days in the wet season too. The wet season back-up is compulsory. The options available depend on the size of your group.

Sound Curfew

For all outdoor and indoor functions, live performance, etc. are restricted to 11.00pm as per government regulation. The volume must be maintained at an agreed prior approved level with the hotel management. For buy-out event, **Sadara Resort Bali** can be used post 10.30pm for after party with monitored amplified music up to 3.00am. Bar facilities are available.

Electricity Supply

All Event Management Companies must supply their own generator. Should additional power supply be required, additional charges will be imposed. No power cable connection can be taken from the hotel without hotel management approval.

Food and Beverage Arrangement

It is considered mandatory for the food and beverage arrangements as well as food and beverages services to be provided by the resort. No outside food is to be brought into the hotel by the client without the resort's consent.

The final guaranteed number of guests for the reception dinner should be at minimum the same as the total number of attendees for the wedding ceremony, to be submitted at least 14 days prior to the event. The number of guests guaranteed 14 days prior to the event will be billed accordingly even if the final number of guests falls short on the date of the function.
