Exceptional Master Ceremony!

Tizma did an amazing job as MC at my wedding in November 2019.

She was so helpful throughout the whole planning process and was always there to help and answer any of my questions. Our wedding day was everything I wanted it to be and Tizma was a big part of that. She helped create a personal but light hearted ceremony that made everyone laugh and enjoy. So many people asked if she was one of my friend because she just seemed to know us so well. Tizma showed great communication skills and genuinely cares about people and helping to create the perfect day. I couldn't have chosen a better MC and would highly recommend her services.

One of the best

Tizma sosok mc yg profesional dan friendly dalam 1 paket lengkap. Dengan materi dan persiapan yang mepet, Tizma mampu bawa acara pernikahan kami melebihi apa yg kami ekspektasikan. Pengalaman dan pengetahuannya ga perlu dipertanyakan. That's why I trust her as a MC in my wedding receptions. She is one of the best MC in Bali
