A still life arrangement of Indonesian and Asian dishes. In the background, a bamboo chair is draped with two pieces of batik fabric: one with a blue and white star pattern and another with a brown and white circular pattern. In the foreground, several copper pots are arranged on a table covered with a batik cloth. The pots contain various dishes: a large pot with a lid, a pot with rice, a pot with a dark sauce, a pot with a red sauce and vegetables, and a pot with a dark sauce and vegetables. A woven basket is visible on the right side. The overall scene is set against a plain white background.
